

Based upon the LEAD NOW! Leadership Development Model, created from interviews, coaching, training, research, and feedback from more than 20,000 leaders worldwide over a period of more than three decades, the Award-winning Stewart Leadership Series is a tool kit for the time starved leader. 52 Gems contains a set of tested insights that will guide all leaders as they face today's challenges. These Gems are tied into the essential 21 leadership dimensions of a successful leader. This book supports every phase of your company's leadership development, team improvement, and one-on-one coaching. Each Leadership Gem is referenced to applicable Leadership Dimensions and color coded to the applicable quadrant in the LEAD NOW! Model. It is a powerful coaching toolkit for all executives, managers, supervisors, and future leaders.
