

Description A Cry for Help is the follow-up to Stephens very successful A Cry For Help and continues his first books theme highlighting the constant struggles of living with OCD. Stephen has a terrible fear, amongst others, of harming an elderly lady. Having to continually check that each and every elderly woman he passed in the street or came into everyday contact had not suffered at his hands. A Cry Forever tackles how this obsession has altered Stephens life, further periods in custody are discussed as are Stephens experiences of forming relationships and starting a family hindered by ever-present obsessions. This is an honest and open book which can act as a beacon of hope for those suffering from this wildly misunderstood, yet life-changing illness. About the Author Stephen Drake was born in Surrey in 1970 and was diagnosed with OCD in 1989, having spent periods in jail due to the condition. Further custody followed as stress heightened his obsessions. In 2006 Stephen wrote his first book entitled A Cry For Help as a way of expressing his problems and changing his wayward course. A Cry For Ever followed a year later, having been encouraged by benefits from his first book. Book Extract When Charlie stirred, it was almost midday. Why the hell am I on the floor? he moaned. It only took a split second for reality to strike. Colin.. oh fuck, he muttered. He clambered to his feet. Ive got to get up sometime, so it might as well be now. A piece of crumpled paper, covered in scruffy writing, rested on the chair. Didnt want to wake you. Ring me if you need anything. See you tonight. Linda He tossed the note onto the floor and headed for the kitchen.
