They live, work, and play in the hot sizzling metro city Miami in the US State of Florida of the USA as a family unit and a business entrepreneurs. Franklin Ferdinand Mangrove, III is a life-time brother, a permanent business partner, and the peaceful neighbor of Austin. Stuart Thant Gage, III is a life-time brother, a permanent business partner, and the protective neighbor of Austin. Thomas Edison Sawyer, III is a life-time brother, a permanent business partner, and the troublesome neighbor of Austin. Austin Bartholomew Berrington, IV is the first born brother of the wolf pack of the Quartet. The adult males call themselves the Band of Brothers but they are not biological siblings. They are blood brothers formed from an eternal blood pact by their biological great-grandfathers in the year 1838 in the wild forests of northern Florida. Great-grandfather of Mangrove moved as a teenager from his native country of Spain along with his favorite stallion and other barn animals to America. His father worked as an animal veterinary and occasionally a human physician inside the rural township. Great-grandfather Gage was shipped as a slave from his home land of Africa, working on one of many southern cotton plantations. He escaped and headed to the wild and free lands of Florida, bartering his new skills as a farmer inside the rural township. Great-grandfather Sawyer of German royalty was determined to rule his own destiny in the New World rather than in the Fatherland leaving behind his royal family members and his royal family fortune. He became the rural townships mayor. Great-grandfather Berrington, the second traveled in a wooden ship over the Atlantic Ocean along with the other peasants from Great Britain seeking freedom from social prosecution in the new land, America. He expanded his trade ship as a blacksmith in the rural township. Presently, the fourth generation of sons Austin, Stu, Frank, and Tom are billionaire brothers. Each one runs one-fourth of an international security company which is called Quartet Associates, but is sometimes dubbed by a dying enemy as Quartet Assholes. Austin is the CEO of Quartet Associates, the leader and boss. Frank is the CFO of Quartet Associates, being the talented CPA and physician. Stu is the COO of Quartet Associate, the engineer and muscle. Tom is the head attorney of Quartet Associates, the legal eagle and vile jokester among the four non-related brothers. Current day and place, Austin, Tom, Frank, and Stu use their brains, their balls and their billions, conducting a state-wide manhunt of the angel of death who has murdered in cold blood the ten year old godson of Berrington inside the hospital bed at Charity Hospital.
